To Whom It May Concern,

Tammy King - Translator

We are pleased to praise Tammy King's Hebrew to English translations.

As a company that specializes in exporting HIGH CONCEPT Israeli screenplays and formats (in the field of visual media), when it comes to translation, precision is critical and often a decisive factor.

Given our vast experience, we highly recommend Tammy King's work. Time and again we are extremely satisfied with our mutual cooperation.

We would be pleased to provide a verbal recommendation upon request.

Sincerely,
