Dear Tammy,

I would like to thank you for your professional translation, for your commitment and above all, for the sensitivity and respect with which you approached each and every word.

Translating a screenplay and maintaining all the meanings and layers therein requires vast skill and expertise, which you undoubtedly possess.

It was very pleasant working with you and exciting to receive as fine and dynamic a translation as we could have hoped for.

Thank you so much for your hard work and patience.

Sincerely,

Assaf Sagi Gafni
